PRESIDENT'S COMMISSION ON EXECUTIVE EXCHANGE

THE WHITE HOUSE

March 21, 1980

Dear Director Turner:

This is an invitation for you to speak informally and off-the-record with the Presidential Exchange Executives who are based in Washington, D.C. this year as part of the President's Executive Exchange Program.

These executives are selected from the ranks of business for their managerial accomplishments and potential for advancement. They are spending a year in Federal departments and agencies, transferring techniques and expertise learned in the private sector to the challenge of Federal programs. In addition, the executives gain a better understanding of the decision-making process in managing Federal programs, and through the various educational activities, they meet the decision-makers. Enclosed is a brochure which explains the Program in detail.

I hope that your schedule will permit you to meet with the group at your convenience during early or late April. Your session would be approximately an hour in duration, with perhaps 20 minutes for your remarks, and the balance of the time left for questions from the group. We would be pleased to meet you at the Agency in a conference room near your office.

I will be in touch with your office during the next few days to confirm your availability and make final arrangements. However, if you should need to reach me, my phone number is 632-6834.

Be assured that you will find the Presidential Executives a warm, enthusiastic group, eager to benefit from your experiences.

Sincerely,

A handwritten signature in cursive script, reading "Jan Zeszutek".
